AB 2164 NOT INTENDED FOR CSUC EMPLOYEES

Recently-signed Assembly Bill 2164, designed primarily for the Department of Transportation, provides that eligible state PERS members will receive two years of additional service credit if the Governor determines that because of an impending curtailment, or change in the manner of performing service, the best interests of the state would be served by making the employee eligible to receive the additional retirement service credit. The member must also retire between July 1, 1975 and December 31, 1975.

The Chancellor's Office states that while the bill does cover the CSUC System, a review of the requirements of the bill indicates that it is highly unlikely that any CSUC employee will have the opportunity to take advantage of the bill's provisions.

CSCSB SPEAKERS BUREAU REPORTS NOTABLE YEAR

More than 50 faculty and administrators already have signed up for this year's Speakers Bureau, with forms still coming in from late returnees.

Last year the Bureau reported its most successful year, booking and handling a record 110 speeches made at high schools and 50 at community organization meetings by CSCSB speakers.

This year the Bureau plans to expand its coverage still further by sending brochures and speaker request forms to community college department chairmen.

Additional entries can still be added to the brochure if received by the end of next week. Forms and information are available in College Relations, AD-151, Ext. 7217.

COLLEGE PLANS FOR HIGH SCHOOL VISITORS ON CAREER DAY OCTOBER 30

The College's third annual Career Education Day will be held Thursday, October 30. High school seniors will spend the day on campus participating in career opportunity sessions, observing demonstrations, visiting college classes and meeting with professionals in various fields.

During lunch the young visitors will have the opportunity to mingle and talk with faculty, professionals and students.

Last year nearly 600 high school students from 40 high schools attended the College's career education day. J. K. Thomas, Vice President for Administration and Chairman of the Career Day Committee, states that "Since our own students will be participating in the event, we hope that no tests have been scheduled that will conflict with their participation." Dr. Thomas adds, "The success of last year's event proves that this is one of our finest opportunities to welcome these college-bound students."

INT'L PROGRAMS SEEKS
RESIDENT DIRECTORS

The International Programs of the CSUC invites applications for assignment as Resident Directors of the overseas study centers for 1977-78. Appointments are made a year in advance so that those selected will have adequate time to plan for a year overseas.

The positions include 12-month appointments in Germany and Sweden, 10-month appointments in France, Italy and Spain. Part-time (1/5) appointments are made for Japan and the United Kingdom.

The deadline for applications is January 1, 1976. Applicants selected for interview will be contacted shortly after February 1, 1976 and all applicants will be notified of the final selections not later than May 1, 1976.

Robert Lee, Assoc. Dean of Academic Affairs, has application forms on campus (AD-109, Ext. 7510). They are also available in the Chancellor's Office of International Programs.

SERRANO VILLAGE
POPULATION GROWS

This year Serrano Village is a bustling settlement populated by 237 students, 123 women and 114 men, located in seven residence houses.

Fall, 1975 figures released by Theron Pace, Housing Coordinator, show that 58% of the residents prefer the exclusive life, either occupying super or regular singles and the rest have chosen double rooms. Returning tenants from previous years total 71, or 30% of the entire Serrano population.

Three meals a day are available to dorm residents this year. Formerly the total room and meal cost included only breakfast and dinner.

The Village first opened in 1972 with 150 student residents.

NEW TICKET POLICY AND
PRICES FOR LITTLE THEATRE

A new ticket policy is in effect this year for drama productions. CSCSB staff and faculty tickets are now \$2 (limit two per person); students and senior citizens (limit two per CSCSB student, others 1 per person) \$1.50; general admission is \$2.50. Season tickets are available at lower rates.

A change in box office procedure sets the deadline for accepting telephone orders as five days prior to performance and payment for orders must be submitted within three days after making the reservation, either by mail or in person at the box office. The new policy was necessitated because telephone orders frequently have not been claimed.
